

Honeywell

TPE331

More Support. More Service. More Capability.

Originally founded as Garrett Aviation Services, we have been and continue to be the leader in TPE331 maintenance and repair. Extensive technical experience and a continuous focus on customer service has allowed us to set the standard in Honeywell engine maintenance and repair services. Now, as StandardAero, we're looking to take our capabilities to new levels.

Major TPE331 Services Provided From Two Locations:

- Los Angeles, CA
- Augusta, GA

We're There, 24/7

To support our customer's needs, we have strategically located Mobile Service Teams (MST) throughout the United States. These teams are available to come to you 24/7 to provide on-site warranty, troubleshooting, or an engine for scheduled or unscheduled maintenance.

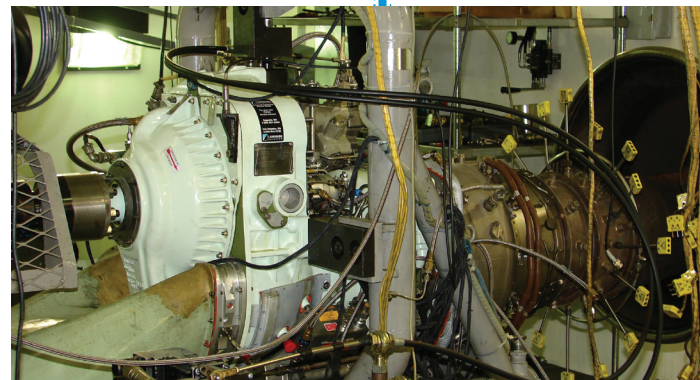

Capabilities:

- TPE331 Overhaul Approved (Including -14)
- TPE331 Mid-life & Gearbox Inspections Up Through -14 Engines
- Dynamometer
- Emergency Road Crew Capabilities
