Supplemental Type Certificate

Number ST01303CH-D

This certificate issued to ElectroSonics
4391 International Gateway
Columbus, OH 43219

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A22CE

Make : Cessna

Model : 560XL

Description of Type Design Change:

Installation of a pedestal modification. Installed per ElectroSonics Drawing ES560-905116-01, Rev. 1, dated November 27, 2000 or later FAA approved revision.

Limitations and Conditions :

1. This is a structural approval only. All avionics, instruments and related systems which will be installed in these pedestals must be FAA approved separately.
2. Compatibility of this design change with previously approved modifications must be determined by the installer.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : 11/15/2000

Date reissued :

Date of issuance : 11/27/2000

Date amended :
